Fitchburg Gas and Electric Light Company's) Energy Efficiency Plan for 2005	D.T.E. 05-52
--	--------------

**MOTION FOR APPROVAL OF  
2005 ELECTRIC ENERGY EFFICIENCY PROGRAM**

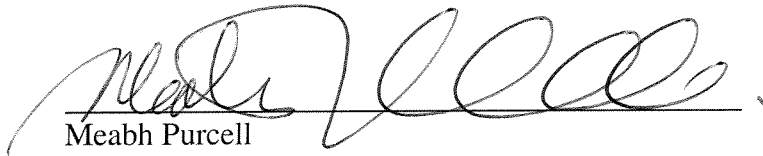

Pursuant to M.G.L. c. 25, §19 and M.G.L. c. 25, §11G, Fitchburg Gas and Electric Light Company, d/b/a Unitil ("Unitil" or the "Company") hereby moves that the Department of Telecommunications and Energy approve the cost-effectiveness of Unitil's 2005 Energy Efficiency Plan ("EE Plan") filed in this proceeding on June 28, 2005. In support of its Motion, Unitil states:

1. Unitil's EE Plan is the result of extensive work between the Company and the Low-Income Energy Affordability Network ("LEAN"), and the Division of Energy Resources (the "DOER").
2. On August 9, 2005, the DOER submitted to the Department a report stating that the EE Plan is consistent with the energy efficiency goals of the Commonwealth, pursuant to 225 CMR 11.00, and that the proposed funding levels for the energy efficiency programs are adequate.

WHEREFORE, for the foregoing reasons, Unitil respectfully requests that the  
Department approve the within Motion and Unitil's 2005 EE Plan.

Respectfully submitted,

FITCHBURG GAS AND ELECTRIC LIGHT COMPANY  
By its attorney,
